Please read the whole case study independently which exercise is assigned to your group. Exercise 2 needs data from the inputs and outputs description in the case study.

**Other information in shared Google Folder:**

A google folder is shared to all participants where you will find the following information:

- EMS material: Subfolder with examples of EMS manuals and check list to evaluate EMS implementation potential in companies.
- Supporting tools for RECP audits: Subfolder containing the reference supporting tools explained during the workshop.
- Reporting tools for RECP audits: Templates for main Deliverables of the RECP assessments envisioned by the project. RT2, RT3 and RT4 are the main references for RECP experts.
